Business arising from the August minutes: School District will be charging us \$10.00 per head for use of gym and turf field. Kevin will speak to Steve Hopkins and request \$7.00 (the same fee we pay the municipality). Possible sponsorship. We will check into the state of Brooks Lower. Turf Practice Schedule will stay the same as 2007/08 We have the field Monday-Friday 4pm-7pm. Mondays and Fridays are free at this time. Schedule for the league will follow close to last year, depending on registrations. Connie has spoken to Anna Cristante from Minor Hockey to let her know.

Presidents Report: U13 Boys and Girls Rep teams: Numbers low for girls

After lengthy discussion we will combine the U12/13 age group as there is a lack of numbers for both age groups and next year will have the same problem. There are two girls who have made clear they wish to play on the Boys rep team and BC Soccer supports this. No boys will be displaced from this team.

Division Managers will meet on Saturday 10:15am at Gordon Park during the mini games. Alex will contact Mgrs to let them know. Shortage of Managers but hoping we can get these positions filled before the season begins, let coaches know it is mainly a contact person for each age group, it sounds less intimidating.

Treasurer's Report: \$27,500 in account

Registrar: 390 have registered, ( registrations still coming in) We had 550 last year.

Head Referee: There will be a refresher on Sept 14th. Still a major lack of referees. Anne will not be organising referees this year. A class 4 clinic needs to be scheduled.

**Equipment Report:** All Rep teams have their equipment. Anyone needing equipment contact Bill. The turf field corner flags will be needed for the weekend. Bill reported that the Building at Modern/Jim Aguis has a room we can use for storage free of charge. Bill and Kevin will have a look at it.

**Head Coach:** Paul was on BC Soccer website; He applied and received Icebreaker discontinued clothing. 170 pieces of hot chilly type t-shirt, there is enough to outfit the girls teams. Mixed drop in will start on the 20th of Sept. and see how it goes from there.

**Risk Management:** recommend all parents on rep teams to fill out risk management forms. Anyone to handle money must fill out B for. Forms must be filled out and put in individual envelopes. Forms to be filled out every year. Forms will be handed out at division managers meeting.

**Rep Team Liaison Report:** The U12 Boys is still waiting on confirmation of a coach (due to hockey rep try outs). Schedule is in website.

**Island Rep Report:** No report

**New Business:** Positions to be filled

Head Referee

Communication- Anne will look after this.

Grant Research and proposal writing: Davina will speak to Debbie Statham to see if she is interested. We will make it a paid position.
